Good morning, please view pictures. The vender observed the driver acting erratically, police are being dispatched to his loc to observe his behavior. The vender stated that the driver drove with the trailer in this condition 50-100 miles. We will send updates as they come in. This rcrc call will be 100% bill back, and if the police state that driver is not fit to drive the tow bill will also be 100% bill back. Unit would be towed to 525 Dishman LN Bowling Green KY. Milam will need to make arrangement for their based on what the police say, if they state he needs to sleep it will need to be at a hotel not in the truck. You will also need to make transportation arrangements for him. Thanks for your time.
