Accident/Incident History Summary

NOTE: If this company has reported any accidents/incidents to HireRight related to this driver for the relevant timeframe, the number of such accidents/incidents will be listed in the fields below, classified as either:

DOT Recordable - for those accidents that meet the U.S. Department of Transportation's (DOT) definition for an "Accident" as set forth in Section 390.5 of the Federal Motor Carrier Safety Regulations (49 CFR 390.5); OR

Non DOT Recordable - for those accidents/incidents that do not meet the DOT Recordable definition referenced above, but where equipment was involved in an occurrence or act that produced unintended injury, death, property damage of any type, or resulted in the equipment requiring a tow (other than mechanical breakdown) while assigned to the driver, regardless of fault.

Inclusion of an accident/incident in either of the above-referenced categories is not an indication of whether such accident/incident involved a citation and/or a law enforcement investigation. Adverse accident/incident history information is reported by HireRight for up to 7 years.

If the entry below is "0", then no such records have been reported to HireRight by this company for the particular category for the relevant timeframe.

Number of DOT Recordable accidents less than 7 years old: 0

Number of Non DOT Recordable accidents/incidents less than 7 years old: 0

No additional accident/incident information available
